## 09:00 Departure

Depart from Caesar Park Hotel Taipei.

## Yehliu Geopark (admission ticket included)

Prepare to be awestruck by nature's quirky masterpieces! Located along Taiwan's north coast, Yehliu Geopark is a geological wonderland that boasts some of the most surreal rock formations you'll ever see. The park is like nature's art gallery, with massive stone structures sculpted by millions of years of wind and water erosion, including the iconic "Queen's Head" rock, "Fairy Shoe", and "Elephant Rock". As you wander the park, you'll feel like you're walking through an alien landscape with rock formations that seem to defy gravity.

## Lunch

Time to refuel! Enjoy a delicious lunch at the local Yehliu restaurants.

## Shifen Old Street & Lantern Releasing (includes 1 lantern for 4 people)

Head to Shifen for some light-hearted fun! Shifen Old Street is famous for its old-timey charm and the magical tradition of releasing sky lanterns. You and friends will get to write your wishes on a lantern, release it into the sky, and watch your hopes float up as you make a wish!

## Jiufen Old Street

Get ready to be swept into the nostalgic streets of Jiufen, a mountain town full of cozy teahouses, street food, and peculiar shops. With its charming, lantern-lined lanes and stunning views of the coastline, Jiufen is as picturesque as a scene from a Studio Ghibli film! Don't forget to grab a traditional taro ball dessert while you're there.
